Dear Club Representative/Stakeholder

DRAFT - INDOOR SPORTS FACILITY FEASIBILITY STUDY

I am pleased to announce that Council has endorsed the release of a Draft Indoor Sports Facility Feasibility Study (ISFFS) for comment.

The ISFFS is a project arising from Council's Recreation Strategy (2015-2024). Council appointed @Leisure Planners to prepare the ISFFS which provides an updated analysis of the demand for indoor sports and identifies an appropriate strategic approach for the future provision of indoor facilities.

The draft ISFFS includes the following:

- Demand for Indoor Sports Facilities in Whitehorse;
- Consultation Findings;
- Recommended Level of Provision by Sport;
- Overview of the Main Findings and Considerations;
- Investment Priorities;
- Summary of Priority Sports and Preferred Venues for Development; and
- Recommendations.

Feedback on the draft ISFFS can be provided via the methods below:
